2024 ROSÉ

MARCUS ELLIS
HALLIDAY WINE COMPANION

OCTOBER 2024

The second release of rosé for MMAD, and from all varieties on the old vineyard: grenache, shiraz, cabernet sauvignon and chenin blanc. Like the 2023, the proportions are a mystery, and lifted herbal notes of cabernet again lead the aromatics, but the colour has been dialled down to a classic coral pink. Grenache lends red-fruited detail and floral lilt. There's spice, too. And flavour and texture aplenty. That's also like the 2023, but here the balance, detail and vibrancy are much more finely tuned. Excellent.

SEPTEMBER 2024

A field blend of Grenache, Shiraz, Cabernet Sauvignon and Chenin Blanc. A celebration of all things MMAD. A delicate salmon belly hue in the glass. Here you'll find persimmon, alpine strawberries and cranberry. Pink lady apple sorbet, pomelo segments and shaved fennel bulb. Fruit is dialled up on the palate, alive with Mariposa plums and blood orange. It's bone dry but filled with the gusto of a summer fruit punch underpinned by lingering acidity and a fine pith of mandarin on the finish. If you are privy to the charm of a Rosé, this is the Hermès Kelly bag of them all. Drink now with a slice of Russian Honey cake and toast to happiness.
